KX-FM386BX

Advanced Communication System with Multi-Function Convenience

Multi-Function System*1
The system can be connected to PCs running Microsoft® Windows® 98, Me, 2000, or XP to work as an advanced multi-function system such as a PC printer, PC scanner or PC fax. With the guidance of software, the installation of the multi-function is easy and simple.

Fully Digital Answering System
The KX-FM386BX answers all your calls, records messages and receives faxes while you are away. The digital system makes operation virtually silent and instantaneous.

Digital Duplex Speakerphone
Digital compression technology helps to reduce annoying echo, drop-out or clipping. You can enjoy clear, natural two-way conversations on the digital speakerphone.

Advanced Features

28-Page Document Memory*2*3
The system can store up to 25 pages in its built-in memory for transmission. Ideal for broadcasting multi-page documents to multiple locations, and for receiving faxes when out of paper up to 28 pages.

Caller-ID*5 Ready
With caller ID compatibility, you can view the name and number of your incoming callers (of up to 16-characters) on the LCD screen before you answer the call. You can even print the list for your records.

Enhanced Copier Function
This unit allows you to enlarge (200%/150%), reduce (92%/86%/72%), collate (sort), make up to 50 copies. Furthermore this fax performs a range of advanced copier functions with a 4 PPM*3 print speed.

Voice Time/Day Stamp
Each recorded incoming message is automatically accompanied by a time and day announcement (time/day stamp). Convenient voice remote menu is also available.

Other Features

- 4 PPM copying speed*4
- 14.4 kbps modem speed
- 2-line LCD readout
- Distinctive ring detection*5
- Error correction mode (ECM)
- 64-level halftone resolution
- Junk fax prohibitor
- Polling function
- Friendly fax reception
- 10-page document feeder
- 50-sheet paper tray
- 10-station one-touch dialer with upper/lower key
- 100-station navigator key dialing
- Electronic volume control
- Near film end alert
