

Laser Clarity Document Solution

Advanced Communication with Laser Print Quality

10-ppm Laser Printing (A4)

Delivers crisp laser printouts at fast rate of 10 pages per minute.

600 x 600 dpi Printing Resolution

Clear and crisp printouts are available for printing and copying.

Caller ID Compatible*1

You can check the caller's name and / or number on the LCD.

Super G3 Fax with 33.6 kbps Modem

Transmits the document in approx. 4 seconds*2 for reducing the cost.

250-Sheet Paper Tray

Large-capacity paper tray holds up to 250 pages for high-volume printing.

Document Clarity in Laser Quality

Compact Size for Your Desk Side

Advanced Features

150-Page Document Memory*2

Built-in memory stores incoming or outgoing documents convenient for broadcasting documents to multiple locations or for out-of-paper reception (up to 150 pages for transmission, up to 100 pages for reception).

Error Correction Mode (ECM)

Error Correction Mode assures clear transmission of document by checking line by line.

Dual Access Operation

Allows two operations to be performed simultaneously. For instance, while a laser fax is busy sending or receiving a memory based fax, you can store additional documents to send later.

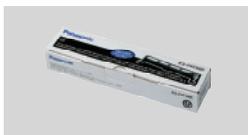

Broadcasting Transmission

Allows you to send multiple documents to multiple locations in simple operation. It gives 3 groups (20 locations for each). Manual registration is also available for 1 of 3 groups.

Other Features

- Navigator key for easy operation
- Junk fax prohibitor (up to 20 stations)
- Delayed send (1 location)
- Auto reduction
- 64-level halftone resolution
- Friendly fax reception (100 pages)*2
- Out-of-paper reception (100 pages)*2
- Auto document feeder (15 sheets)
- 250-sheet paper tray (20 lb.)
- Quick scan (150 sheets)
- Redial / Pause / Handset mute
- Phonebook (100 stations)
- One-touch dial (5 x 2 with Lower)
- Sending report
- Overseas mode
- On-hook dial (Pre-dial, Phonebook, Redial, One touch dial)
- Monitor
- EXT telephone feature supported

Optional Accessories

KX-FAT88A/E
(2,000 pages*3)

KX-FAD89A/E
(10,000 pages*4)

Note: Starter kit 500 pages*3

Specifications

Facsimile

Compatibility:	ITU-T G3
Printing method:	Laser printing on plain paper
Effective scanning width:	208 mm
Effective printing width:	202 mm (A4), 208 mm (Letter / Legal)
